

FRUIT SCIENCE MINOR

Minor Requirements and Curriculum

The minor must be completed prior to, or at the same time as, the requirements for the bachelor's degree. A major and a minor may not be taken in the same degree program, and a minor is not required for a degree. Requirements for the minor include:

- At least half of the units must be from upper-division courses (3000-4000 level).
- At least half of the units must be taken at Cal Poly (in residence).
- No more than one-third of the units will be taken with credit-no credit grading (CR/NC), not counting courses with mandatory CR/NC. Departments may further limit CR/NC grading if desired.
- A minimum 2.0 GPA is required in all units counted for completion of the minor.

Code	Title	Units
REQUIRED COURSES		
PLSC 1120 & 1120L	Principles of Plant Sciences and Principles of Plant Sciences Lab	3
PLSC 2232/WVIT 2233	Basic Viticulture	3
Select from the following:		4
PLSC 3360	Advanced Fruit Crop Production	
PLSC/WVIT 3331	Advanced Viticulture - Fall	
Select from the following:		2-4
PLSC 2205	Orchard and Vegetable Enterprise Project	
SS 1120	Introductory Soil Science	
Approved Electives		
Select from the following:		8-9
BRAE 3340	Irrigation Water Management	
PLSC 3313	Agricultural Entomology	
PLSC 3321	Weed Biology and Management	
PLSC 3323	Plant Pathology	
PLSC 3337/WVIT 3332	Advanced Viticulture - Spring	
PLSC/SS 3444	Climate Smart Agriculture	
PLSC 4420	Organic Crop Production Systems	
PLSC 4421	Postharvest Technology	
Total Units		20
